About **JET AIRE**

**FOR OVER TWENTY YEARS,
WE'VE BEEN PROVIDING FIRST
CLASS DRAINAGE SOLUTIONS TO
COMMERCIAL, INDUSTRIAL AND
DOMESTIC CLIENTS, THROUGHOUT
THE NORTH OF ENGLAND.**

Meeting the highest expectations of our clients, the Company has become well known for its ability to deliver a comprehensive, professional, efficient and cost effective service.

By combining continued investment in people and equipment, whatever the project, whatever the scale, we can assist. Our experienced engineers and surveyors ensure that a bespoke solution is achieved for every job.

Commercial **Drainage**

Jet Aire is a dynamic independent company offering the complete range of commercial drainage solutions including:

- Drain Clearance
- CCTV Surveys
- Drain Repairs
- Confined space entry
- Tracing-line/depth
- Drain Lining
- Patching
- Grease Traps
- Interceptors
- Septic tanks
- Sewage treatment plants
- Pump Stations
- Planned maintenance
- Section 104/38

Through our team of engineers, Jet Aire provides professional drainage services across the whole of the North of England. We operate a flexible and adaptable service, meeting your business needs.

Freephone: 0800 174697

We have a proven track record of successfully delivering a diverse range of services to a variety of businesses and markets. Whilst our core business is working with major construction, utility companies and public sector organisations, we are equally at home working on projects to include domestic and commercial drain clearances and repairs.

Health & Safety

Jet Aire are committed to upholding the highest standards of health, safety and customer care. We stringently adhere to the codes set out across a range of accreditation bodies, including CHAS, Construction Line and Safe Contractor. We are also ISO9001 certified, which should give you complete peace of mind that the work we carry out will be done professionally and safely.

The promotion of health & safety is an important aim of the company and every member of staff. We undertake a range of training which includes the following:

- Confined space entry
- Abrasive wheels
- High pressure water jetting
- NRSWA (Roads & Streetworks)
- Signing, lighting and guarding
- Manual handling
- First aid
- CSCS
- CPCS
- WTI OS19X
- C.A.T location

Clients

Our success is best demonstrated by our growing number of clients, to whom we provide a diverse range of services. Many of these clients have trusted Jet Aire for over ten years, which is a testament to our staff and quality of service. Case studies describing the services provided to each of these clients can be supplied upon request.

Contact

If you are looking for an honest, reliable and competitively priced drainage contractor, who takes great pride in the quality of their work, Give Jet Aire a call.
